PREMIUM QUALITY

OUR STORY

"From Africa's fertile soil to the world's table — with integrity at every step."

Rooted in the heart of West Africa, Halitta Foods was founded on a simple belief: that the finest natural ingredients, handled with care and purpose, can nourish the world.

WHO WE ARE

Committed to Quality. Rooted in Nature.

At Halitta Foods, we are committed to delivering high-quality, natural, and nutritious food products sourced responsibly and processed with care.

Pure & Natural

No additives, no artificial preservatives — just the wholesome goodness of nature.

Sustainably Sourced

Supporting local farming communities while ensuring freshness and purity.

Export-Ready

Global standards compliance with the warmth and authenticity of local expertise.

WHY CHOOSE US

The Halitta Difference — Quality You Can Taste

Premium Quality & Freshness

Products that exceed expectations, every single time

Sustainably Sourced

Ethically grown, fully traceable supply chains

Modern Processing

Consistent quality with food-safe hygiene standards

Export-Grade Compliance

Trusted by buyers across multiple continents

PRODUCT SPOTLIGHT

Crafted from the Finest Peanuts. Loved at Every Spread.

100% premium peanuts — no palm oil, no artificial preservatives, no compromises. Every jar is a celebration of pure, natural goodness.

Chunky Peanut Butter

Bold, textured, and packed with whole peanut pieces. Perfect for toast, dips, and baking.

Smooth Peanut Butter

Velvety, creamy, and irresistibly spreadable. Ideal for smoothies and everyday indulgence.

Packaging: 250g · 500g · 1kg

Available in: Organic & Conventional

"Pure peanuts. Pure pleasure. Pure Halitta."

CASHEW GRANULES

Precision-Graded for Every Application

"Uniform size, consistent texture, and premium quality for industrial use."

Fine Granules

SIZE 1-2 MM (BB)

Texture: **Fine / Baby Bits**

Ideal for: Baking, dusting, fillings, and confectionery bases.

Medium Granules

SIZE 2-4 MM (CH)

Texture: **Medium / Chips**

Ideal for: Ice cream toppings, chocolate inclusions, cookies.

Coarse Granules

SIZE 4-6 MM (WSP)

Texture: **Coarse / Small Pieces**

Ideal for: Energy bars, granola, cereal mixes, premium toppings.

Large Granules

SIZE 6-8 MM

Texture: **Extra Large / Chunks**

Ideal for: Premium snacking, trail mixes, roasted nut clusters.

CASHEW KERNELS

Premium White Whole Grades

"The Gold Standard of Cashews. Naturally White, Sweet, and Whole."

King of Cashews

Size: **Large**

Ideal for: Retail packs, roasting, premium snack mixes.

Standard Whole

GRADE WW320

Count: **320 kernels/lb**

Size: **Medium**

Ideal for: Global standard for retail, food service, and processing.

SPECIALTY GRADES

Processing & Industrial Solutions

"Versatile grades tailored for roasting, baking, and confectionery applications."

Scorched Whole

SW240 / SW320

Slightly roasted color. Perfect for roasting, salting, and savory snacks.

Cleft Whole

CW240 / CW320

Whole kernels with natural splits. Ideal for economy roasting and chopping.

Testa Whole

KTW (SKIN-ON)

Raw kernels with skin. Retains natural flavor for processing or peeling.

Large White Pieces

LWP

Large broken kernels. Excellent for baking, cookies, and energy bars.

Splits

FS / WS

Halved kernels split lengthwise. Used in confectionery and Asian cuisine.

Butts

FB / WB

Halved kernels split crosswise. Uniform shape for decoration and baking.

ROASTED PEANUTS

Ancient Tradition. Modern Quality.

Premium Samnut 23 variety peanuts, roasted over charcoal wood fire using a 2,000-year-old technique. A labor of love that delivers unmatched mild nuttiness and crunch.

Wood Fire Roasted

Traditional charcoal method

Safety Assured

Aflatoxin < 4ppb

Samnut 23 Variety

High yield, uniform size

Long Shelf Life

12–18 months (Vacuum)

"A taste of heritage in every crunch."

SESAME SEEDS

The Ancient Superfood. Perfected for Today.

Machine-cleaned and export-graded to 99.95% purity — the choice of premium food brands, bakeries, and health food manufacturers globally.

White Sesame Seeds

- Clean, mild flavor. Perfect for bakery, tahini, and garnishing.

Brown Sesame Seeds

- Earthy, nutty depth. Ideal for artisan breads and health foods.

Hulled Sesame Seeds

- Skin-removed for smoother texture and subtler taste.
